

JOHNSONBURG MILL

100 Center St., Johnsonburg, PA 15845

2018

AT A GLANCE

Recognized as one of the most technologically advanced paper mills in the world, Domtar's Johnsonburg, Pennsylvania, mill boasts a long and rich history of papermaking since its operations began in 1888. Located near the Allegheny National Forest on the headwaters of the Clarion River, the mill manufactures uncoated freesheet papers used by customers to create brochures, direct mail, stationery, checks, envelopes, fast-food takeout wrap and hardbound books.
